Where Pleasure Meets Luxury

Mansion Yacht

Features

The Mansion Yacht is the first yacht with; all stainless steel construction, 18' hydraulic lifting legs, 72 solar panels generating 15,000 kw, CRUISE SHIP STYLE POURED polyurethane decks, Salon constructed 180 degree hurricane resistant floor to ceiling glass, 10 ft ceilings on the main deck and, a total of approximately 9000 sq ft of space. The Mansion Yacht is 84' x 40' and features 5 king beds and 5 baths, an 880 sq ft salon and a 1000 sq ft theater and game room in the 3900 sq ft of air conditioned space. The Mansion Yacht also has 3380 sq ft of out door decks including a 760 sq ft front deck attached to the salon, a 2300 sq ft party deck with hot tub and a 320 sq ft back deck. The spacious engine room and bow storage areas total another 1620 sq ft.

The Mansion Yacht is tastefully decorated by celebrated designer Cheryl Perotti in a modern décor consistent with the "Post Modern Stainless" exterior.
